

Happenings in Ardmore Society and Club Circles

MAY Days and May affairs have come around again in the cycle of time as always, the season is upon us with that sudden rush of announcements, school affairs, picnics, motor parties and even air plane tours—when tennis, golf and horse back riding vie with each other for the delights of turf and green—when bridge parties and spring luncheons come into their own and all crowd together for places in the social calendar as the spring season advances.

Here in the southwest at no season are the social gatherings more delightful—or plentiful—than in the spring, and it is at this time that hostesses throw open their homes with a gracious abandon and enjoy their many gay and colorful parties to the utmost.

During this week, in addition to the many events attendant upon and preceding the close of the school term, there are to be three big club luncheons, for the Philharmonic, Ladies of the Leaf and Delphian, besides many bridge affairs.

Of great importance this week is the picnic at King's lake on Wednesday evening for parents and teachers in the Ardmore schools.

On Monday delegates from the several clubs will go to Davis for the district convention of Federated Clubs.

Gregory and Mrs. Keasey Folk, who will have as honor guests on Wednesday, Mrs. John Schumacher, of Wichita, Kansas, who is visiting her sister, Mrs. T. B. Wagner. The party Thursday will be complimentary to Mrs. Charles Robbins of New York who is visiting her sister, Mrs. Frank Head and her brother, Wirt Franklin.

On Thursday Mrs. George Henley and Mrs. John Waltrip will entertain with the first of a series of parties to be given at the home of Mrs. Henley.

Mr. and Mrs. D. C. Fitzgerald will be hosts to the members of the Dinner Bridge Club on Tuesday evening.

Quite the event of the week will come on Friday, when the Grotto promenade and parade will take place.
